Traffic rules

1.TRAINING

The teams will go to the start via Fragnée bridge on the so-called Derivation River.

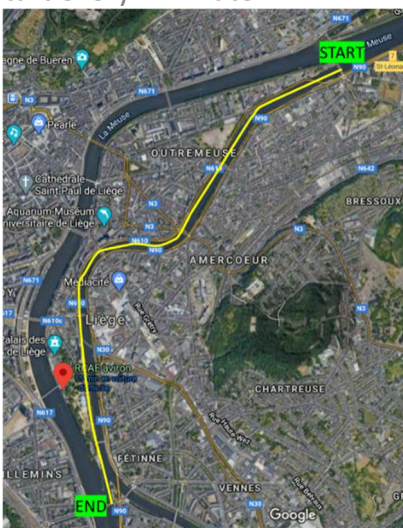

2. THE HEAD OF RIVER

The 3600 m head of river is organized on the Derivation river.

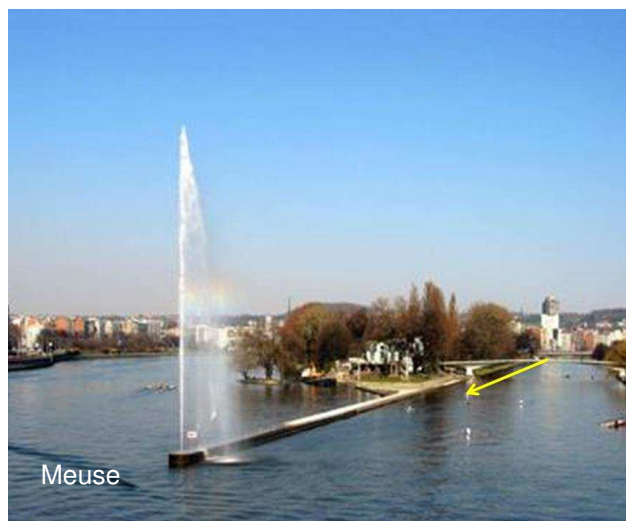

The boats will row upstream in the starboard side of the river.

All the teams are on the water 45 minutes before the start.

Start every 1 minute.

3600m upstream

The Derivation river at 5' from the clubhouse

3. FINALS

1000 m side-by-side races on the Meuse river with arrival just after the footbridge in front of the clubhouse.

The 3600 m time trial will allow to rank the teams: as a result, competitive series are defined.

Fan clubs

Supporters are not forgotten. They can indeed easily follow the finals by bike and encourage their preferred boats from the start to the arrival and support their favourites from the footbridge “La Belle Liégeoise”, which crosses the Meuse River in front of our clubhouse.
